

As a resident of the Tri Cities I listen to two radio stations, K-LOVE and NPR. K-Love is my primary station, and I feel it is a tremendous service to me as a resident of the local community. Without it my days and commutes wouldn't be as positive or enjoyable. Should K-LOVE be displaced by an LPFM broadcaster providing other programming, I believe it would have a negative impact on the Tri-Cities local community. And that would be tragic!

With K-LOVE, I never have to worry about what my 3 year old daughter's ears will hear. It's positive, clean, great Christian music for my whole family. Absolutely none of the songs have lyrics that discuss suicide, sexual content, swear words, or violence, like many of the other stations. So in my opinion, I believe keeping K-LOVE on the air in the Tri-Cities is in the best interest of the Tri-Cities (Kennewick, Pasco, Richland) of which Burbank is a suburb of. Please do not let an LPFM broadcaster replace the wonderful programming offered by K-LOVE.
